

Caravan Cover

The Club's Caravan Cover

As a discretionary mutual scheme the intention of this document is to explain what the product is all about and how it operates.

As a Club the Caravan and Motorhome Club is a mutual organisation - effectively owned by you and your fellow members. This allows us to provide our Caravan Cover as a discretionary mutual product to anyone who is a member of your Club. (Please note this does mean that if you end your membership at any point, we won't be able to continue your cover beyond the end date shown on your schedule.)

Our Caravan Cover is not an insurance policy; however we operate and choose to pay claims in a similar way. Plus we provide even better protection (we believe) than an insurer, because all payments we make are discretionary. As such, we are able to go above and beyond when appropriate. In addition, you have the added protection of insurance cover being provided to the Club for your benefit should a claim not be fully paid by us for any reason.

Our Cover is designed to protect you by covering your caravan, equipment and contents against loss or damage from a range of causes including accidental damage, fire, theft, storm, flood and vandalism.

How does a discretionary mutual cover work?

Our Caravan Cover is not an insurance policy; however we operate and choose to pay claims in a very similar way. All the monies received for the Cover from members goes into an account of which we pay claims and running costs. Any surplus is then reinvested back into the Club to benefit our members, by improving sites, products and services - unlike caravan insurance where the surplus is given to the shareholders.

So by choosing Caravan Cover you are providing extra support to your Club.

Insurance protection

Included in your documentation pack is a document called 'Group Insurance Policy'. This is an insurance policy that we have taken out to give you extra protection.

If you make a claim under your Caravan Cover and we are unable to pay for any reason, you can then make a claim under the Group Insurance Policy.

Our aims and intentions

We aim to make sure that you are covered in the event of a loss or damage to your 'home away from home' i.e. your caravan, as well as your equipment and contents, from a range of causes: accidental damage, fire, theft, storm, flood and vandalism. As well as helping you to continue with your holiday or get home if something were to happen.

Our Cover is unable to protect you from a loss if your caravan is being used for business or to make profit, or from mechanical failure, defects or from deterioration due to age or 'wear and tear' (for example panel cracks or delamination of windows).

- Keep your CRiS and service documents somewhere safe and not in your caravan.
- Maintain all your receipts for your covered equipment, contents and any expenses you might want to claim for.
